Location: Oakland Federal Building
3rd Floor, North Tower
1301 Clay Street, Oakland

REGISTRATION: 9:00 a.m. – 9:30 a.m.

OPENING SESSION:

1. Welcome, Overview of Agenda, Introductions (20 minutes) Marge Kolar and Nadine Hitchcock
2. Project Overview (20 -30 minutes) Amy Hutzel
3. Major Decisions and Data Gaps Assessment Framework (30 minutes) Steve Ritchie

BREAK (15 min.)

BREAKOUT SESSIONS

Session A: Fish and Wildlife and Other Biological Factors

Session B: Physical Processes

Session C: Water Quality/Contaminants

4. Summary of Specific Decisions (15 minutes)
Objectives: Review list for completeness, identify any other important specific decisions required to complete planning process
5. Assess Data Gaps Associated with Each Specific Decision (3 hours)
 - a. Determine Available Data
Objectives: Review existing list of studies for completeness, identify any other pertinent data/reports known to participants
 - b. Determine Needed Data/Data Gaps
Objective: Create definitive list of data gaps for each breakout topic

Note: Lunch will occur during the Data Gaps Assessment Step, at a time to be determined by each breakout session individually. One hour has been scheduled for lunch in addition to the 3 hour working time.

6. Prioritize Data Gaps (30 minutes)
Objective: Determine the priority and relative importance of various data
7. Action Items and Next Steps/Wrap-up (15 minutes)
Objectives: Consolidate action items and next steps from the breakout session
